**FALL RESERVATION FORM FOR PRIMARY STUDENTS**

Your reservation fee of **\$150.00**, is an ANNUAL fee designed to hold a place for your child in our Primary program. It is to be paid each year while your child stays with CMS. Your child is expected to attend through his or her **five-six-year-old (Kindergarten)** year and upon **completion** of that year, your ACCUMULATED reservation fees will be applied to your last tuition payment. This does not include the separate application fee for new students.

Reservation forms and fees are first collected from any returning Camas Montessori students currently enrolled and/or their siblings.
